

RELISERV SOLUTION

Complete Electrical & Automation
Solution Provider

- Siemens Relay Distributors
- CRP Manufacturer
- Substation Automation Solution Providers
- Substation Testing & Commissioning
- Power System Studies
- Energy Management System Solution

Siemens (SALES)

Numerical Relays

- Reyrole
- Reyrole 5
- Siprotec Compact
- Siprotec 4
- Siprotec 5

SIEMENS Authorised Channel Partner

- Auxiliary Relays
- Automation Products
- SICAM Power Quality Devices
- Ruggedcom Switches
- MV/EHV Switchgear Spares
- PSS Sincal Software

Control & Relay Panels (CRP)

- Design & Engineering
- Supply
- Installation
- Testing & Commissioning
- AMC

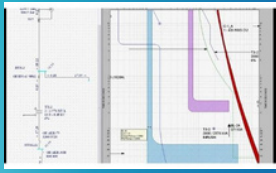

Substation Automation Solution

- Design & Engineering
- Supply
- Installation
- Testing & Commissioning
- AMC

Field Services

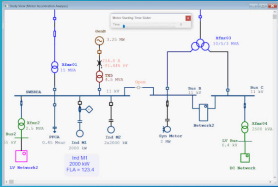

- Relay Testing & Commissioning
- Power Transformer Testing & Commissioning
- Current Transformer Testing & Commissioning
- Circuit Breakers, Servicing, Testing & Commissioning
- Substation Automation Testing & Commissioning
- Retrofitting & Upgradation
- Substation Erection, Testing & Commissioning
- Kit Rental Services
- Specialized Customised Services

Power System Studies

- Load Flow Study
- Short Circuit Study
- System Transient Stability Analysis
- Motor Starting Study
- Relay Coordination Study
- System Harmonics Study
- Arc Flash Study & Analysis
- Motor Starting Study & Analysis
- Power Quality Analysis
- Voltage Drop Study and Analysis

Energy Management System Solution

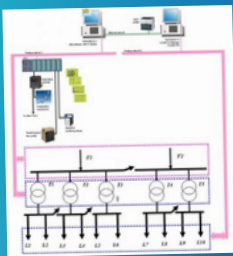

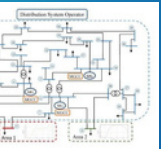

- Design & Engineering
- Supply
- Installation
- Testing & Commissioning
- AMC

Secondary Engineering

- Control & Relay Panel Designing (All voltage Level)
- LCC Panel Designing (All Voltage Level)
- Cable Engineering (Cable Schedule etc.)
- Substation Automation System
- Engineering Support for Retrofit Works
- Preparation Of As Built Drawings
- Customized Solutions for Industries

Training Services (Online / Offline)

- Protection Relays Training
- Switchgears Training (LV/MV)
- Electrical Safety Training

About us

We, **Reliserv Solution** were established in the year 2012 and made our mark in the power sector. Our services are well acclaimed and appreciated by our clients. We have never looked back since our foundation and expanded our services on PAN India basis.
