About Us

'Inspired by your Needs'

Our founder, Mr. Hetal Devani, back in 90's understood the need for safe electrical goods and kept safety as the first priority while providing electrical goods at an affordable cost.

We strongly believe that the future is built on the foundations of the past. Today, we are proud to be market leaders in Cable and Wiring Components, FlameProof and Weatherproof Enclosures, Electrical and Conduit Fittings, SS Tube Fittings, Earthing and Fire Safety Equipments.

Our constant drive to innovate and create better products everyday has made us expand to different countries like Poland, Israel, South-Eastern Europe and Central Europe. Our journey has just begun.

What We Do

1. CABLE & WIRING COMPONENTS

From durable cables to connectors and switches, these essential components guarantee efficient power distribution and reliable communication networks.

- ⚡ Cable Glands
- ⚡ Cable Gland Accessories
- ⚡ Cable Lugs
- ⚡ Cable Connectors

These electrical panels and distribution boxes with customizable configurations provide a reliable and scalable solution for effective power management in construction.

2. ELECTRIC PANELS & DISTRIBUTION BOX

- ⚡ Flameproof Enclosure
- ⚡ FLP Panels
- ⚡ FRP Junction Box
- ⚡ CRCA Junction Box
- ⚡ Push Button Housing

3. CABLE TRAYS

With their versatile installation options and customizable designs, cable trays are designed to support and protect cables, preventing damage and minimizing the risk of electrical hazards.

- ⚡ Perforated
- ⚡ Pre-galvanized
- ⚡ Raceway
- ⚡ Ladder Type
- ⚡ Galvanized

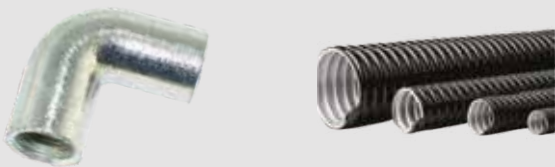

Their versatility and ability to withstand harsh environments, SS tube and fittings provide a reliable solution for various plumbing, piping, and structural requirements in any industry.

- ⚡ SS Tube Fittings
- ⚡ Instrumentation Valves
- ⚡ Air Valves - Header and
- ⚡ Manifold
- ⚡ SS Tubes

4. SS TUBE & FITTINGS

5. EARTHING & CONDUIT FITTINGS

These fittings provide secure connections, junctions, and bends, ensuring the integrity and proper routing of electrical conduits for safeguarding all electrical systems.

- ⚡ Earthing Rod
- ⚡ Earthing Strip
- ⚡ Clamp
- ⚡ Conduit Fitting
- ⚡ Conduit Pipes

Effective firefighting equipment like Fire Bucket Stands and Fire extinguishers help protect lives, property, and construction sites, making it an essential component in any construction safety plan.

- ⚡ Fire Bucket Stand
- ⚡ Fire Extinguishers
- ⚡ Safety Gloves and First Aid
- ⚡ Kits
- ⚡ Firefighting Accessories

6. FIRE FIGHTING EQUIPMENT

Our Credentials

Let's Connect

We value your feedback, inquiries, and partnership opportunities. Feel free to reach out to us using the contact information below. Our dedicated team is here to assist you.
